### CLASSES AND ATTUNEMENTS AVAILABLE INDIVIDUALLY AND IN GROUPS

Package Pricing Available — Call or email for details

This beautiful and powerful Lightarian energy has come forth at this time from the Ascended Masters and Angels to assist in the reawakening of humanity, to accelerate healing and to raise our vibration to become the new human species. The new practitioner/teacher of the Lightarian Rays™, Lightarian Reiki™, the Lightarian AngelLinks™ and the Lightarian ClearingProgram™ may immediately treat clients and give attunements for that Ray, Reiki level, AngelLink, or Clearing Program level. All attunements may be passed in person, by telephone or remotely. A minimum 4-7 day period between the various attunements is recommended. In some cases, a longer time may be both helpful and desirable.

### LIGHTARIAN RAYS™

The Rays accelerate the unfoldment of, and stimulate breakthroughs in, six important phases of spiritual and energetic development. They are received as single attunements by both clients and those who wish to be trained as practitioner/teachers with no prerequisites.

**Empowerment Ray:** Inspired by Ascension Master Maitreya. This activation stimulates further spiritual awakening within all levels of your chakras and subtle bodies, accelerating and empowering all phases of your development.

**Clearing Ray:** Inspired by Ascended Master El Morya. This attunement releases your adverse soul programs, their associated belief structures and the related stored energies in your physical and subtle bodies, as well as old fetal energies and undesirable patterns and attachments in your etheric blueprint. This opens and strengthens your connection back to Source and lifts the veils that block fuller alignment with your higher self.

**Healing Ray:** Inspired by Ascended Master Buddha. This Ray accelerates your healing process through dissolving and transmuting stress, discomfort, debilitation and dis-ease from your chakras, subtle bodies and ultimately, your physical body, bringing new levels of vitality and vibrancy. It also creates a stronger connection with your Higher Self.

**Activation Ray:** Inspired by Ascended Master Sananda. This Ray activates dormant areas in your energy fields that launch shifts in the fundamental structure of your energy fields. This allows you to ground higher levels of light within your energy structure and access expanded levels of your Higher Self to work through you.

**Manifestation Ray:** Inspired by Ascended Master St. Germain. This attunement expands your capacity to authentically step into your spiritual role, more fully live your soul purpose and manifest abundance in all areas of your life.

"Emotions are the next frontier to be understood and conquered. To manage our emotions is not to drug them or suppress them, but to understand them so that we can intelligently direct our emotional energies and intentions...It's time for human beings to grow up emotionally, to mature into emotionally managed and responsible citizens. No magic pill will do it."

Doc Childre

Source Ray: After completing the above five rays, you may receive this advanced attunement which links you beyond the Maitreya level so that you may now enjoy greater access to more of the ascended masters and further integrate the 12 divine virtues of beauty, compassion, courage, curiosity, imagination, joy, justice, love, loyalty, power, purity and will.

### **LIGHTARIAN REIKI I-VI™**

Lightarian Reiki is an expanded vibrational form of Reiki that opens six additional bands of healing energy, each going progressively higher in vibration beyond traditional forms of Reiki energy. Some have called this universal energy "Reiki for the lightbody."

You must be a Reiki Master to become a practitioner/teacher of Lightarian Reiki. You must also either (1) already be a Karuna™ Reiki Master, or (2) receive one additional Lightarian attunement called a "Buddhic Boost." The Boost is a simple attunement passed by the Lightarian Teacher that bridges the vibrational gap between Usui and Lightarian Reiki for those who are not Karuna Masters. The series of attunements for Lightarian Reiki I-VI that are taught in four steps: I-II; III; IV; and V-VI.. The principles and philosophy of Lightarian Reiki are taught in I-II. As such, III, IV and V-VI each provide the relevant attunement with minimal formal training being necessary.

### **LIGHTARIAN ANGELLINKS™**

The five Lightarian AngelLinks help you in embodying the qualities of the Angels in your energy field and in making a permanent connection with each of them as your angelic guides. The links deepen and strengthen any relationship that you may already have with them.

Rose Aura: Rose Aura ignites the Seraphin flame of unconditional love in your heart space, which then radiates through your energy fields and out into all areas of your life. Required in order to do any of the Archangels.

Archangel Michael: This link places Michael's angelic halo of mental purity over your crown to facilitate growth of his qualities of non-judgment within you. Michael will also now serve as your personal guide to the etheric realms.

Archangel Raphael: Raphael infuses you with angelic courage and divine healing as he ignites a torch of angelic light to help light your way. As you move through life more courageously, you will discover the divine healer within yourself.

Archangel Uriel: Uriel places within your heart a special gift box filled with beauty. This link inspires a heightened sense of appreciation for life as well as stimulates your unique talents of creative expression.

Archangel Gabriel: Gabriel focuses on joy and communication with the divine and helps you discover what makes your heart sing. He wraps a golden bow around your heart as a reminder that you are truly a joyous gift to yourself and the universe.

### **LIGHTARIAN CLEARING PROGRAM™**

This series of attunements expands upon the benefits of the Lightarian Clearing Ray to provide an amplified approach to clearing for those that wish to go even deeper. The program works to clear and release the same 6 kinds of patterning, focusing on each of them one at a time. These include Path Clearing, Birth Pattern Removal, Template Clearing, Attachment Removal, Lineage Clearing and Veil Removal. You may receive these attunements as a client or be trained as a practitioner-teacher.
